

**REALLY GOOD WINE
MADE IN OREGON**

Wine By Joe Chardonnay has fresh aromas of ripe apple and pear blended with zesty green mango accents and a touch of banana and lemon. There's a hint of wet slate and grassy complexity that carries throughout the aroma and flavor and into the medium-long finish. Fermentation at cool temperatures in stainless steel keep this wine true to the varietal and the Willamette Valley growing region.

The 2016 growing season continued to push the envelope for defining the new normal in Oregon as one of the earliest on record. An unusually warm spring gave way to moderate summer conditions, which provided even growing conditions through véraison. Though it was an intense growing season due to the early start, the fruit produced throughout the state resulted in wonderful concentration and complexity with characteristic natural acidity.
