

## REALLY GOOD WINE MADE IN OREGON

Ripe fruit aromas of tropical pineapple, zesty mango, floral banana and honeydew melon blend with peachy stone fruit, lemon-lime citrus and a subtle note of wet stones. The palate opens to bright passion fruit and ripe pear supported by smooth body and juicy acid that transitions to flavors of lime zest, candied lemon peel and quince. Complex accents of sweet herbs, white flowers and slate round out this crisp and refreshing Pinot Gris.

The 2016 growing season continued to push the envelope for defining the new normal in Oregon as one of the earliest on record. An unusually warm spring gave way to moderate summer conditions, which provided even growing conditions through véraison. Though it was an intense growing season due to the early start, the fruit produced throughout the state resulted in wonderful concentration and complexity with characteristic natural acidity.
