

WE'RE WINE BY JOE:

Wine by Joe highlights the spirit of Oregon; easy, unpretentious beauty but with a little bit of that Northwestern grit. Located in the heart of Dundee, Oregon since 2002, we are a real winery who will do what ever it takes to craft Really Good Oregon Wine. With long-standing grape grower relationships and a dedicated, hard-working winemaking team, our wines are naturally delicious, every single time. Wine By Joe is rooted in the notion of gathering with friends, family, and neighbors to enjoy a bottle, a meal and conversation.

FARMING GRAPES:

Whether the grapes are from our LIVE sustainably certified 214-acre estate Sea Breeze Vineyard in Willamette Valley or sourced from one of our distinctive Oregon vineyard partners, we believe that really good wine comes from really good fruit. Wine By Joe's vineyard team focuses on viable farming practices and quality fruit.

WINE BY JOE LINE-UP:

We have a little something for everyone:

Pinot Gris, Pinot Blanc, Chardonnay, Rosé of Pinot Noir, and Pinot Noir.

It's that perfect guest you can bring to any party that gets along with everyone.

Our wines pair best with backyard BBQs, trailhead or park picnics, or #WineWednesday dinner parties. Listen to the "snap-crack"
