

## REALLY GOOD WINE MADE IN OREGON

Fragrant and floral aromas of hibiscus and dried rose petal combined with bright cherry, dried cranberry, and just a hint of black licorice, are expressed in this classic Oregon Pinot Noir. A medium bodied entry instantly pleases and leads to a silky mid palate carried by dried Bing cherry, black tea, with light sandalwood and cedar notes. Well balanced, this wine's body is supported by youthful yet integrated tannin and moderate acidity that lingers into a medium long finish. A direct and mouth watering Pinot Noir that promises to pair perfectly with both Wednesday night takeout or Friday date night!

Cool, wet conditions in the first half of June during bloom reduced 2020 vineyard yields, which resulted in fewer and smaller berries per cluster. Smaller berries increased the concentration in red wines through a higher skin to juice ratio while the looser clusters allowed for better airflow and decreased the potential for botrytis. The tail end of September and beginning of October were warm and dry, allowing for optimal ripening. 2020 will be exceptional for producing historic wines.
